

## Moving Towards a Climate Neutral UN 2015 edition

### Acknowledgements

*The Moving Towards a Climate Neutral UN, 2015 edition poster and brochure can be downloaded from <http://www.greeningtheblue.org/resources/climate-neutrality>.*

This report would not be possible without the tireless efforts of the Focal Points of the Issue Management Group on Environmental Sustainability Management.

These Focal Points are responsible for compiling the greenhouse gas inventories for their organizations and have undertaken, with the support of staff from across the UN system, to measure, monitor and reduce the footprint of their organizations.

Once again, we would like to commend them for their work – a model for intra as well as inter-agency cooperation in the UN:

- **Marylene Beau**, Ana Priceputu (Basel, Stockholm & Rotterdam Conventions),
- **Alice Abalos** (CITES),
- **Melanie Virtue**, Henning Lilge (CMS),
- **Higa Isaku**, Baez Garcia Neris, Oliver Stojchevski (CTBTO),
- **Sungmin Patricia Kim**, Sophie Ravier, Luke Redmond, Syed Ahmed (DFS/DPA/DPKO),
- **Mohammed Yunus**, Zebib Tekle, Hillary Obino (ECA),
- **Andrea Henrichsen**, Laetitia Montero, Guillermo Herrera (ECLAC),
- **Peter Van Laere**, Paul Thompson, Stephen Rieger, Chandra Srivastava, Duangrat Kiatlertpongsa, Wanpen Trisanawai (ESCAP),
